Certified Commissioning Authority (CxA) #609-512, ACG

### **WORK EXPERIENCE**

Experience includes central chiller plants, central steam plants, HVAC mechanical systems and controls, clean rooms, electrical distribution systems, life safety systems, emergency power generation and automatic power transfer systems.

### **COMMISSIONING EXPERIENCE**

#### **Indiana University (IUB) – Ashton Apartment Complex, Bloomington, IN**

Project Cost: \$80,000,000.00 / 400,000 square feet

Scope: Comprehensive Commissioning for new construction of seven student housing buildings. The new complex will have a five-story commons building that provides programming and classroom space, while the housing buildings will be four stories. It consists of 803 beds and the majority of units have four-bedroom suites, each with its own kitchen, common area and two bathrooms. This building is seeking LEED certification.

#### **Purdue University – Psychology Building AC4-2 Replacement, West Lafayette, IN**

Project Cost: \$885,000.00 / 15,000 square feet

Scope: Comprehensive HVAC Commissioning for replacement of an existing air handling unit with a new air handling unit and associated terminal units for areas consisting primarily of laboratory animal space in the fourth floor and basement of the building and offices in the third floor.

#### **Purdue University - Mechanical Engineering Building – Gatewood Wing, West Lafayette, IN**

Project Cost: \$25,000,000 / 84,000 square feet

Scope: Comprehensive Commissioning for addition of research labs, classrooms, offices, conference rooms, teaching labs and breakout rooms, and tech-atrium space for exhibits and departmental events.

#### **Indianapolis Public Schools Capital Improvements Program Phase I, II and III**

Project Cost: \$200,000,000 / 6,500,000 square feet

Scope: Comprehensive Commissioning for renovations and new construction of elementary, middle, and high schools over a 2-year period funded by bonds issued by the city of Indianapolis. FCG performed Commissioning pursuant to LEED certification on Phase III projects.
